

RAPID REPAIR SOLUTIONS

Non-intrusive, quick and efficient repairs that minimize downtime until a permanent solution can be made.

CUMI Advantage

Non-intrusive, quick and efficient repairs that minimize downtime until a permanent solution can be made.

One-stop-shop: we offer comprehensive project management, from design to onsite maintenance, ensuring seamless integration and optimal performance.

Precision Engineering: Our in-house engineering team ensures fast and seamless production and replacement of components

Proven performance: We have over 20 years of experience operating in Australia, backed by the Murugappa Group in India, and hold the largest import market share of ceramics.

A GLOBAL LEADER IN ENGINEERED CERAMICS
